### By Road

#### Approaching by Motorway or from the East - M6, Junction 12.

Take the A5 westbound heading towards Telford. After about half a mile, on your left you will pass a lay-by followed by a speed camera (you have been warned!). The entrance to the hire base is also on the left, immediately after the speed camera road markings. If you miss it, simply continue down the road to the roundabout, go right around and approach the hire base from the opposite direction.

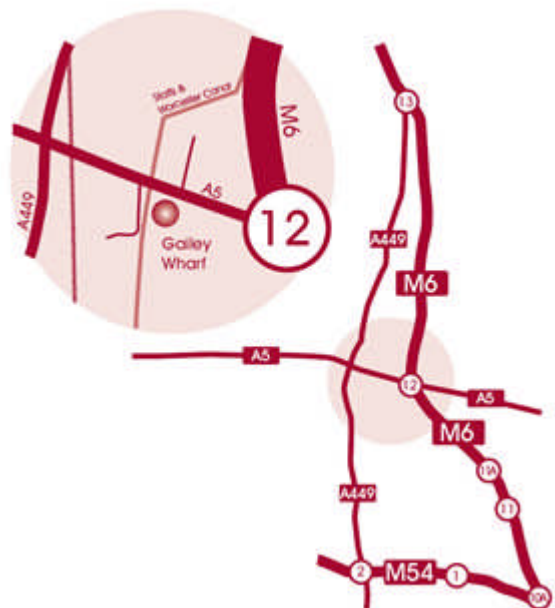

#### Approaching from the West.

Take the A5 heading Eastbound towards the M6 Motorway from the Gailey roundabout (Junction of A449/A5).

After about half a mile you will pass a Texaco petrol station on your left. On your right is a round tower house and a canal bridge parapet.

The entrance to the boatyard is also on the right, immediately after the canal bridge.

## By Rail

### Wolverhampton and Stafford Main Line Railway stations

Both of these stations have taxi ranks.

The nearest railway stations are Wolverhampton (coming from the South) or Stafford (coming from the North). The Hire base is about 8 miles from them both.

The village of Penkridge has a local branch line rail station with infrequent connections from either Wolverhampton or Stafford, but there is no taxi rank as such, although there is a taxi service in the village centre. The base is some 3 miles from Penkridge.

You can plan your rail journey on this website [www.thetrainline.com](http://www.thetrainline.com)

## By Air

From Birmingham International airport you can take a taxi to the boatyard or take a train from Birmingham International rail station to Birmingham New Street then follow directions by rail.

From Luton, Heathrow, Gatwick or Stanstead airports. Take the inter airport coach service to Birmingham International airport and then follow directions as above. Alternatively take a train to London then follow directions by rail.

## By Taxi

The following taxi company will be pleased to quote a price to meet your flight.  
Penkridge Cabs, telephone: 01785 713013
